

CALABRIA WENGE

CALABRIA SERIES

CALABRIA WHITE

Those who look for simple, natural style and want to be able to effortlessly customize their bathroom décor are going to love the minimal forms and stylish railing handles of the CALABRIA Series.

The CALABRIA collection offers the possibility of achieving two distinct looks, one by setting the furniture on the bathroom floor for a traditional appearance, the other by hanging it on the walls for an attractive, airy feel.

The option of hanging the doors on either side allows for great flexibility in arranging the layout of the bathroom space.

CALABRIA is elegant minimalism in two colour versions: wenge and white.
